

New York State Public High School Athletic Association Drone Policy

The New York State Public High School Athletic Association prohibits the use or possession of unmanned aircraft or aerial systems (UAS), also known as drones, for any purpose by any person or entity at all scrimmages, regular season and post season events.

This prohibition applies to the area above and upon all spectator areas, fields of play, courts, arenas, stadiums, mats, gymnasiums, pools, practice facilities, parking areas and or other property being utilized for the purpose of the interscholastic activity.

If there is a report of UAS activity at an athletic event school, Section and/or State Association officials will, in consultation with the sports officials, suspend the play until such time as the UAS is removed from the area as defined above or the school, Section/ State and sports officials determine it is safe to proceed.

For purposes of this policy, a UAS is any unmanned airborne device or aircraft. The NYSPHSAA, Section and/or Member School reserves the right to refuse admission to anyone operating or attempting to operate a UAS or to request the immediate removal of any person using or attempting to use a UAS in violation of this policy.

The NYSPHSAA Executive Director has the authority to grant an exception to this policy to law enforcement, public safety agencies, NYSPHSAA media partners, or other entities or individuals. Any request for an exception to the policy must be submitted to the Executive Director at least a week prior to the event. The exception is limited to the specific event requested and requires the consent of the host venue.

Any use granted under this provision must comply with the applicable FAA regulations as well as any and all requirements set forth by NYSPHSAA. News media must have the necessary FAA authorization. Any individuals granted an exception would be required to sign a document acknowledging and agreeing to the terms of use and agreeing to hold the NYSPHSAA and its member schools harmless from damage to persons or property.

**Approved May 5, 2017 (Executive Committee)*
